

THE
DRAPERS'
HALL

WELCOME TO DRAPERS' HALL, TRULY ONE OF THE MOST MAGNIFICENT VENUES IN LONDON.

The Drapers' Company is a grant-making body, dedicated to the art of giving. We take great pride in owning an important historic building and delight in sharing it with others. In fact, we've been entertaining people on our present site for 500 years. We hope you'll give us the opportunity to show you what Drapers' hospitality looks like today.

WHY CHOOSE DRAPERS' HALL FOR YOUR EVENT?

Drapers' Hall boasts magnificent interiors creating a stunning backdrop to every occasion.

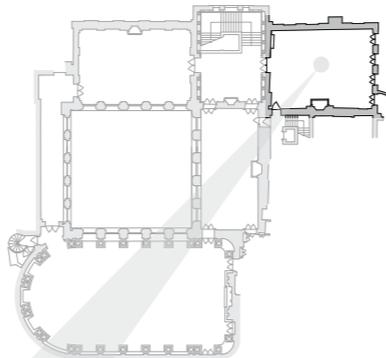

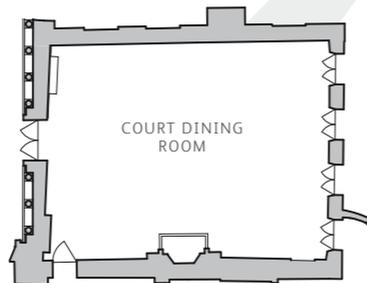

The venue can comfortably hold up to 700 guests for a standing reception when using all rooms, 276 for a seated dinner and 300-350 for theatre style presentations or concerts. This makes Drapers' Hall the perfect location for all types of events. Our exquisite in-house catering, and the service provided by our experienced and dedicated team, will ensure that your event is perfect in every way.

COURT DINING ROOM

THE COURT DINING ROOM IS A FAVOURITE PLACE FOR INTIMATE LUNCHEAS AND CANDLELIT DINNERS. IT OVERLOOKS OUR HISTORIC GARDEN AND IS NEXT TO THE DRAWING ROOM WITH WHICH IT CAN BE COMBINED FOR LARGE RECEPTIONS.

This room stands in the oldest part of Drapers' Hall dating to the late 1660s though altered in 1869 by John G Crace whose family worked for every British monarch from George III to Queen Victoria. Its focal point is a portrait of Queen Elizabeth II who became a Draper in 1947, and whatever happens here, time is history, measured by a clock of 1715 by the celebrated Daniel Quare.

DRAWING ROOM

AN ELEGANT SETTING FOR CHAMPAGNE RECEPTIONS, AND LARGE AND LIGHT ENOUGH TO BE A FILM-MAKERS HEAVEN, THE DRAWING ROOM IS HUNG WITH DELICATE VICTORIAN CHANDELIERS AND RETAINS ITS ORIGINAL PALE GREEN AND CREAM COLOUR SCHEME OF THE 1860s.

It is also a good setting for presentations with sculpture busts of Queen Elizabeth II and HM The King, both members of the Drapers' Company, lending it appropriate formality.

COURT ROOM

THE COURT ROOM LENDS ITSELF TO AN ARRAY OF EVENTS AND IS THE PERFECT SIZE FOR BREAKFASTS, INFORMAL LUNCHEAS AND BREAKOUT SPACE AT CONFERENCES.

Louis XIV tapestries, 18th century chandeliers and portraits of The Duke of Wellington and Lord Nelson lend gravitas to this important room. Connecting as it does directly to the Livery Hall, also makes it much in demand for dancing, for which we have our own dancefloor.

LIVERY HALL

THE DRAPERS' LIVERY HALL IS ONE OF THE FINEST GRAND ROOMS ANYWHERE IN LONDON. FROM BANQUETS, WEDDINGS, FASHION SHOWS, COCKTAIL PARTIES, CONCERTS AND OPERA RECITALS TO CONFERENCES AND PRESENTATIONS, IT IS LARGE AND VERSATILE ENOUGH TO ACCOMMODATE ALMOST ANYTHING YOU HAVE IN MIND.

The vast ceiling is adorned with scenes from Shakespeare's plays 'The Tempest' and 'Midsummer Night's Dream' and around the walls we display some of our finest silver. Marble-columned, galleried, gilded and hung with royal portraits, this is where members of the royal family and other heads of state have dined. No surprise then, that it has appeared on television as Buckingham Palace.

THE DRAPERS' HALL GARDEN AND COURTYARD

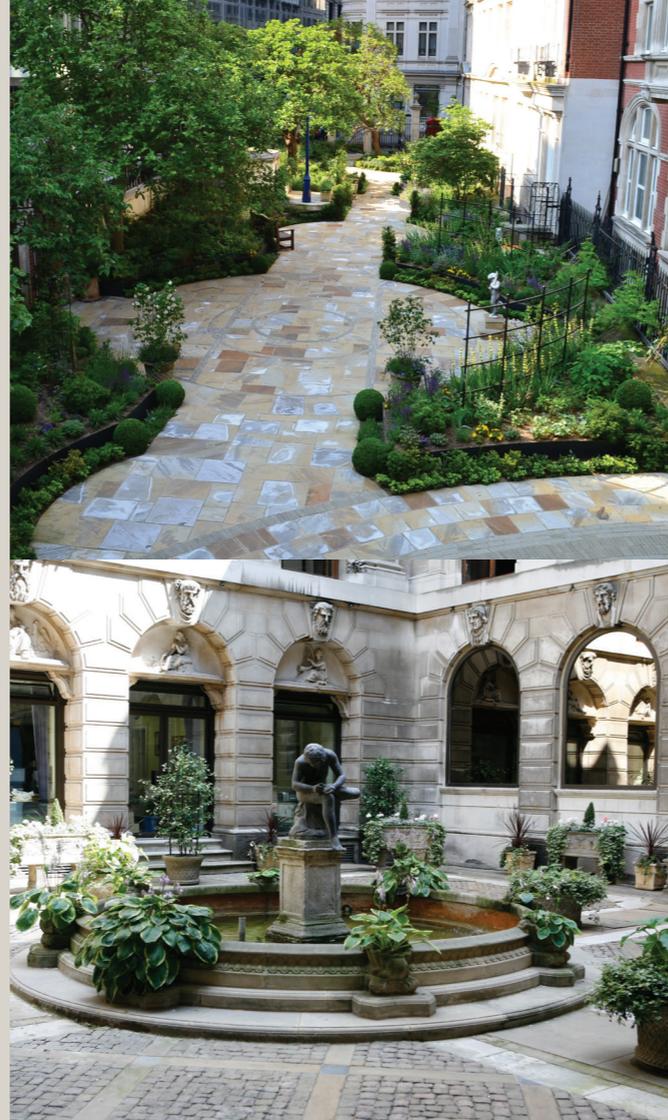

WHERE ONCE THOMAS CROMWELL, WHOSE MANSION STOOD ON OUR CURRENT SITE, STROLLED THROUGH ROSE BUSHES, FRUIT TREES AND HERB BEDS, YOUR GUESTS CAN ENJOY A HIDDEN OASIS IN THE HEART OF LONDON.

Much has changed since Cromwell's day but with mulberry trees, a water feature and flowers reflecting the azure and gold of the Drapers' Company coat of arms, our garden retains its sense of history.

The Drapers' Hall Garden is perfect for entertaining guests on warm evenings, comfortably holding up to 180 people for a drinks reception.

The Courtyard provides another separate outdoor space for evening receptions at Drapers' Hall, completely independent from the beautiful Drapers' Hall Garden.

Though now boasting 19th century Portland stone arches, the courtyard is still at the heart of Drapers' Hall today. It can be used on its own or in conjunction with the garden for larger outdoor events and can accommodate up to 150 guests for a drinks reception.

THERE HAVE BEEN MULBERRY TREES IN THE DRAPERS' HALL GARDEN SINCE THE TIME OF KING JAMES I. OF TODAY'S TREES, ONE WAS PLANTED BY HM THE KING IN 1971
