FOOD & DRINKS

We have a different view of a Bespoke Menu

Whilst City Cruises is known for its formal dining menus this literally is the tip of the iceberg of what we can offer.

Three and four course dining menus, Hot and Cold fork buffets, our ever popular summer BBQ's and of course canapes, finger food and nibbles! We work with an authentic Indian Food specialist to offer a typical Indian banquet and of course we are always happy to plan something to suit your own event. We can send over some sample menus for you to peruse.

That's not all. We have a new and enhanced wine selection, some great drinks packages and of course a good selection of beers and gins! Our team can advise you the best package to suit your budget and needs.

WHAT OUR CLIENTS SAY...

“ Thank you so much for your assistance throughout, from viewing the boats, booking the boat and making the self process easy and of course your help on the day itself.

For a first time doing this type of an event I think it went smoothly indeed, all our customers were very impressed and to be able to start their meetings at WTM arriving on a VIP breakfast went down very well. ”

American Airlines

“ We had an amazing day, everything was perfect from start to finish, thank you to you and your whole team for all your help and support.

There was not a single hitch and every single colleague and manager loved it.

We have already had so much feedback from colleagues to say how much they enjoyed there special day. Thank you again - and hope I get to work with you all again. ”

Sainsbury's

“ Everything was as hoped, if not better and I received this morning an email from the MD saying how much they all enjoyed the evening.

I can't thank your staff enough for all their efforts. The food was excellent and the attention to detail by the Event Manager - was very much appreciated. There was nothing that was too much trouble for him and he and his team made sure our guests were well looked after.

The boat was a perfect size for a private party like ours and the evening was actually sunny and dry - couldn't have been better! ”
